Re: No Stopping on Wilson Avenue

To the Chair and Members of Etobicoke York Community Council:

BACKGROUND:

On a short section of Wilson Ave at the western-most end of the street, cars have been parking on the roadway, despite No Parking signs being present. The situation has resulted in large trucks mounting the curb to complete their turns around the parked vehicles. I am recommending prohibiting stopping on the street.

RECOMMENDATIONS:

1. Etobicoke York Community Council rescind the existing parking prohibition in effect at all times on both sides of Wilson Avenue, between Matthews Gate and the south end of Walsh Avenue.
2. Etobicoke York Community Council prohibit stopping at all times on the south side of Wilson Avenue, between the south end of Walsh Avenue and a point 15 metres west of Kelvin Avenue.
3. Etobicoke York Community Council prohibit stopping at all times on the north side of Wilson Avenue, between the south end of Walsh Avenue and Kelvin Avenue.

Sincerely,

Anthony Perruzza
