**RE: Construction Manager Agreement with PCL Constructors Canada Inc. for Construction Management Services at Toronto Stadium in Support of the FIFA World Cup 2026 Hosting**

Dear Colleagues,

I am recommending that the FIFA World Cup 2026 Subcommittee add to the agenda the attached transmittal from the Executive Director, World Cup Hosting 2026 and Chief Procurement Officer regarding the results of negotiated Request for Proposals for Toronto Stadium – Construction Manager services.

This report seeks approval for the selection of the contractor for the provision of the preconstruction management services required to meet FIFA's hosting requirements. Approval of this selection is required in order to proceed to preconstruction planning and sub-contractor procurement.

This transmittal did not meet the FIFA World Cup 2026 Subcommittee agenda closing. I am recommending we add this important report as new business to be considered today.

Sincerely,

Councillor Shelley Carroll  
Ward 17 – Don Valley North  
Chair, FIFA World Cup 2026 Subcommittee
