City of Toronto  
Toronto Public Health  
277 Victoria St, 5th Fl Toronto, ON

Dear Toronto Public Health,

I am pleased to inform you that Vital Strategies commits a USD \$50,000 grant to the city of Toronto through the Partnership for Healthy Cities initiative.

The Partnership for Healthy Cities is a prestigious global network of 70 cities around the world committed to saving lives by preventing noncommunicable diseases (NCDs) and injuries. The program is supported by Bloomberg Philanthropies, in partnership with the World Health Organization and Vital Strategies as the implementing partner.

Through this initiative, Vital Strategies will fund the city of Toronto to support its planned work on public health surveillance scheduled to occur between November 15, 2023, and December 31, 2024.

Funding will be made available through a separate fully-executed contract from Vital Strategies, following the approval of a final implementation plan and budget. Please contact Tara O'Rourke at [torourke@vitalstrategies.org](mailto:torourke@vitalstrategies.org) for guidance on the next steps in this process.

We look forward to working together and thank you for your ongoing collaboration.

Sincerely,

A handwritten signature in black ink, appearing to read "Ariella Rojhani".
