## Toronto Public Health Strategic Plan - Summary of Consultation Findings and Emerging Plan

### Committee Decision

The Board of Health – Strategic Plan Development Committee recommend that:

1. The Board of Health request the Medical Officer of Health report to the June 4, 2024 meeting of the Board of Health – Strategic Plan Development Committee with a 2024-2028 Strategic Plan informed by the following mission, vision, values and priorities:

a. Vision:

A city where all people can be healthy and thrive

b. Mission

Toronto Public Health protects and improves health at a population level while reducing health inequities

c. Values

- Accountable and transparent
- Community engaged and connected
- Equitable and inclusive
- Credible and evidence-informed
- Innovative leadership

d. Priorities

- Advocate for and advance health equity by collaborating across multiple sectors and delivering public health interventions that meet community needs

- Strengthen health protection, disease prevention, and emergency preparedness
- Promote health across the lifespan
- Promote the conditions to support positive mental health and reduce the harms of substance use
- Nurture a positive workplace culture

2. The Board of Health request the Medical Officer of Health report to the June 4, 2024 meeting of the Board of Health – Strategic Plan Development Committee with objectives that support the strategic plan’s priorities as part of the report on the 2024-2028 Strategic Plan.
