Re: Appointment of Medical Officer of Health

Dear Board Members,

Over the past several months, the Medical Officer of Health Hiring Committee has been working alongside Phelps Group to find Toronto's next Medical Officer of Health in preparation for Dr. Eileen de Villa's departure at the end of this year. After an extensive search and interview process, we are bringing forward a recommendation to appoint the new Medical Officer of Health.

A report on the appointment of the recommended Medical Officer of Health will be submitted for consideration to the November 18th meeting of the Board of Health.
