### Micromobility Strategy Development - Accessibility Feedback

#### Committee Decision

The Toronto Accessibility Advisory Committee recommends that the Infrastructure and Environment Committee recommend that:

1. City Council direct the General Manager, Transportation Services conduct no further electric kick-scooter (e-scooter) pilots or trials, because e-scooters:

- a. present a significant safety hazard;
- b. cause serious injuries;
- c. are a barrier to accessibility; and
- d. enforcement is untenable.

#### Decision Advice and Other Information

The Senior Project Manager, Strategic Policy and Innovation, Transportation gave a presentation on Micromobility Strategy Development.

#### Summary

At its meeting on February 5, 2024, the Toronto Accessibility Advisory Committee considered Item [DI5.1](#) and a recommendation to City Council.
