RE: Please support IE12.4 - CNP: 2024 Cycling Infrastructure Installation Q2 Update and Missing Sidewalk Program

Hello Deputy Mayor Jennifer McKelvie and members of IEC,

I am writing in support of implementing the 5.8 centreline kilometres (km) of new bikeways outlined in five projects as well as the other city staff recommendations outlined in IE12.4:

- Ferrand Drive Area Safety Improvements - Ward 15
- Galloway Road Sidewalks and Cycling Connections - Ward 24
- Portland - Dan Leckie Cycling Connections - Ward 10
- Silverthorn Cycling Connections - Ward 9
- Weston Cycling Connections - Ward 5

If Toronto is going to meet its TransformTO goal of having 75% of all trips under 5 km taken by biking, walking or taking transit by 2030, we need to implement safe cycling and pedestrian infrastructure across the city, especially in areas that lack access to safe active modes of transportation.

I hope that I can count on your unanimous support and vote in favour of the city staff recommendations outlined in IE12.4.

Thank you for your consideration,
