Community Safety Zone - Driftwood Avenue - Technical Amendment - by Councillor Anthony Perruzza, seconded by Councillor Mike Colle

** Notice of this Motion has not been given. A two-thirds vote is required to waive notice.
* This Motion is subject to referral to the Etobicoke York Community Council. A two-thirds vote is required to waive referral.
* This Motion has been deemed urgent by the Chair.*

Recommendations

Councillor Anthony Perruzza, seconded by Councillor Mike Colle, recommends that:

1. City Council rescind the Community Safety Zone designation in effect at all times on Driftwood Avenue, between Wilmont Road and Niska Road.
2. City Council designate a Community Safety Zone to be in effect at all times on Driftwood Avenue, between Wilmont Drive and Niska Road.

Summary

Driftwood Avenue, between Jane Street and Grandravine Drive, is classified as a collector road and has a regulatory speed limit of 40 kilometres per hour. This roadway is on the frontage of residential properties and three elementary/middle schools. The roadway is also a Toronto Transit Commission service route.

Driftwood Avenue was designated as a Community Safety Zone as part of the “Vision Zero Road Safety Plan: Designation of Community Safety Zones around Elementary Schools” (Item PW30.5 adopted as amended by City Council on June 26, 27, 28 and 29, 2018)
<https://secure.toronto.ca/council/agenda-item.do?item=2018.PW30.5>

The location of the community safety zone designation on one section of Driftwood Avenue was misidentified in the original report/item as being between Wilmont Road and Niska Road, when it should be between Wilmont Drive and Niska Road. In order for this community safety zone to be signed and enforced, a correction is required.

The reason for urgency for this motion is to correct a technical issue, identified by staff, in the boundary of a community safety zone on Driftwood Ave to allow for placement of an automated speed enforcement camera.
