Metrolinx Eglinton Crosstown Light Rail Transit - New Traffic Control Signals - by Councillor Jon Burnside, seconded by Councillor Jennifer McKelvie

** Notice of this Motion has been given.*

** This Motion is subject to referral to the North York Community Council. A two-thirds vote is required to waive referral.*

Recommendations

Councillor Jon Burnside, seconded by Councillor Jennifer McKelvie, recommends that:

1. City Council authorize traffic control signals at the intersection of Eglinton Avenue East and Gervais Drive.
2. City Council authorize traffic control signals at the intersection of Gervais Drive and a point 54 metres north of Eglinton Avenue East.
3. City Council authorize traffic control signals at the intersection of Don Mills Road and a point 83 metres north of Eglinton Avenue East.

Summary

As part of the Eglinton Crosstown Light Rail Transit project, Metrolinx has constructed a bus terminal in the north-east corner of the intersection of Eglinton Avenue East and Don Mills Road. New traffic control signals have been installed at the intersections of Eglinton Avenue East and Gervais Drive, Gervais Drive and the bus terminal entrance, and Don Mills Road and the bus terminal exit to facilitate safe and exist into the new bus terminal.

City Council approval of these new traffic control signals is required to enable timely inspections, acceptance, and activation of the signals, ensuring efficient Toronto Transit Commission bus operations in the new bus terminal.
