Summary

I am writing to request your support in reopening Item EY15.16 Bloor Street West - St. Clement Catholic School - Speed Limit Amendment. The following was adopted by City Council on July 24 and 25, 2024:

1. City Council rescind the existing School Speed Zone designation on Bloor Street West, between a point approximately 85 metres west of Mill Road and a point approximately 150 metres east of Forestview Road, in effect between 8:00 a.m. to 5:00 p.m., Monday to Friday, except public holidays and school professional activity days, September of one year through June of the next following year, inclusive.
2. City Council authorize a 40 kilometres per hour speed limit on Bloor Street West between, a point approximately 85 metres west of Mill Road and a point approximately 150 metres east of Forestview Road.

It has been determined that a slight expansion of the new 40 kilometres per hour speed limit zone on Bloor Street West is required in order to meet the technical requirements to provide an option for the future installation of automated speed enforcement equipment.

Requires Re-opening

Item 2024.EY15.16 (July 24 and 25, 2024 City Council Meeting) only as it pertains to the speed limit zone set out in Part 2.
