**Implementation of Permit Parking on John Perkins Bull Drive, William Duncan Road, Franco Basille Grove and Maria Iacampo Gardens, Permit Area 18A - by Councillor James Pasternak, seconded by Councillor Mike Colle**

*\* This Motion has been deemed urgent by the Chair.*

*\* This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.*

### Recommendations

Councillor James Pasternak, seconded by Councillor Mike Colle, recommends that:

1. City Council exempt the implementation of permit parking on John Perkins Bull Drive, William Duncan Road, Franco Basille Grove, and Maria Iacampo Gardens, within Permit Area 18A, from the requirements of subsection 925-4B of City of Toronto Municipal Code Chapter 925, Permit Parking, until such time as North York Community Council considers a request for implementation of permit parking on those streets.

### Summary

This motion proposes to add permit parking on additional streets in the Stanley Green neighbourhood. Five years ago, item 2019.NY11.13, a motion to include a new permit parking area (Permit Area 18A) along various streets in this neighbourhood was adopted. John Perkins Bull Drive, William Duncan Road, Franco Basille Grove, and Maria Iacampo Gardens were not fully developed roads at that time and did not meet the requirements to be included in this amendment. Further transportation developments have taken place throughout Stanley Greene since 2019, and the community continues to grow in density and population. Several residents who reside on John Perkins Bull Drive, William Duncan Road, Franco Basille Grove, and Maria Iacampo Gardens have gathered two petitions requesting additional permit parking on these streets in order to accommodate the demands of increased traffic in the neighbourhood.

This is urgent due to this technical amendment being a time sensitive, multistep procedure. The first motion to exempt the current permit parking by-law must be adopted by City Council before the motion to implement permit parking is introduced. The implementation of this item will face significant delays if this motion is not adopted by city council ahead of the North York Community Council meeting on December 3, 2024.
