Authorization to Release Section 37 Funds to Boulevard Improvements to Roehampton Avenue fronting North Toronto Collegiate Institute - by Councillor Josh Matlow, seconded by Councillor Rachel Chernos Lin

** Notice of this Motion has been given.*

** This Motion is subject to referral to the Executive Committee. A two-thirds vote is required to waive referral.*

Recommendations

1. City Council increase the 2024-2033 Capital Budget and Plan for Transportation Services Neighbourhood Improvements by \$90,000 gross, fully funded by Section 37 community benefits secured from the developments:

- a. \$18,591 from 89-101 Roehampton Avenue (Source Amount: XR3026-3701066)
- b. \$71,409 from 75 Broadway Avenue (Source Amount: XR3026-3701211)

for boulevard improvements to Roehampton Avenue fronting North Toronto Collegiate Institute Field (Cost Centre: CTP424-07).

Summary

On the north side of Roehampton fronting North Toronto Collegiate Institute, there is a “green boulevard” that requires significant upkeep due to the high volume of pedestrian activity. Transportation Services staff, as well as my office, have worked closely with local residents on a design concept to improve the boulevard, and are now looking to proceed with tendering the contract and construction in 2025. This excellent project will animate the public realm on Roehampton, adding new tree canopy and perennial planting, a low fence to protect the green space, as well as new benches for residents to sit.

This motion requests authority from Council to increase the 2024-2033 Capital Budget and Plan for Transportation Services Neighbourhood Improvements by \$90,000 gross, fully funded by Section 37, for boulevard improvements to Roehampton Avenue fronting North Toronto Collegiate Institute Field.
