RE: Item MM18.2 - Authorization to Release Section 37 Funds to the Kensington Market Community Land Trust to Upgrade a Mural

Dear Toronto City Council,

The Kensington Market Community Land Trust (KMCLT) is pleased to confirm our support for Item - 2024.MM18.2, which is titled: "Authorization to Release Section 37 Funds to the Kensington Market Community Land Trust to Upgrade a Mural." This is a City Council Member's Motion made by Councillor Dianne Saxe and seconded by Councillor Chris Moise.

This motion is to assist our organization to upgrade and expand a mural on our community owned building at 54-56 Kensington Avenue with \$7,000 in Section 37 funds. We have already received \$6,500 from the City of Toronto for this mural project (via an awarded grant), but we still require an additional \$7,000 to complete this project. As the KMCLT is a community organization dedicated to preserving affordable rental spaces for local residents and businesses, we rely on government assistance such as this Section 37 funding to complete public art.

We appreciate the assistance from the City of Toronto with this project. If you have any questions about this motion, please do not hesitate to reach out.

Sincerely,

Zack Bradley
