Subject: Item MM18.2 - Authorization to Release Section 37 Funds to the Kensington Market Community Land Trust to Upgrade a Mural

Dear City Councillors,

The Kensington Market Action Committee (KMAC) is pleased to confirm our support for Item MM18.2 “Authorization to Release Section 37 Funds to the Kensington Market Community Land Trust to Upgrade a Mural” at the May 22-24 Council Meeting. This is a Council Motion by Councillor Dianne Saxe, seconded by Councillor Chris Moise.

Founded in 1997, KMAC is a volunteer-driven community group, a general purpose neighbourhood organization looking out for the interests of both residents and businesses in Kensington Market. KMAC supports various art projects and murals in Kensington Market and we have spoken with the Kensington Market Community Land Trust about their Mona Lisa project and are supportive of their work.

The Mona Lisa mural on Kensington Ave is a focal point of the community and one of the longest surviving murals in the area. We look forward to seeing its resurgence and its longevity for the coming decades.

We encourage the City to reach out should they have any questions about this project or any other Kensington-led art projects.

Best,

Board, Kensington Market Action Committee (KMAC)
