**Subject: Item - 2024.MM18.25 - Amending Item 2022.MM45.51 - “Support the Kensington Market Community Land Trust to Acquire an Affordable Rental Housing Property”**

Dear Toronto City Council,

The Kensington Market Action Committee (KMAC) would like to provide our support for Item 2024.MM18.25, titled “Support the Kensington Market Community Land Trust to Acquire an Affordable Rental Housing Property.” This is a motion by Councillor Dianne Saxe, seconded by Councillor Josh Matlow.

Founded in 1997, KMAC is a volunteer-driven community group, a general purpose neighbourhood organization looking out for the interests of both residents and businesses in Kensington Market. KMAC has spoken with the Kensington Market Community Land Trust (KMCLT) and we are in support of this Council motion to provide them with previously allocated funding for affordable housing in our community.

We support the work of the KMCLT and believe that, by providing them access to this previously allocated funding via this motion at May 22-24 Council, the KMCLT will be able to acquire their second property and continue to provide affordable housing in our community.

Please reach out at our email below should you have any questions or concerns.

Thank you,

Board, Kensington Market Action Committee (KMAC)
