**RE: MM19.6 - Honouring the Late Councillor Jaye Robinson by Naming a
Landmark or Site in Don Valley West - by Councillor James Pasternak, seconded
by Councillor Mike Colle**

Dear Mayor Olivia Chow and Members of City Council,

This is to confirm that we are strongly in support of the above Motion. There has already been discussion among residents and residents associations in Don Valley West about the desirability of honouring her memory through a measure, such as naming of a park, and it is appropriate that the City take the lead in undertaking a process to make a suitable recommendation.

Jaye Robinson was a well-respected and passionate advocate for the Leaside, Bennington Heights, and Thorncliffe Park communities, along with the other communities in Don Valley West. The August 2024 issue of Leaside Life magazine (<https://leasidelife.com/>) contains *in memoriam* pieces by the co-presidents of the Leaside Residents Association.

.

Yours truly,

Geoff Kettel for
