COMMENTS

Composition of the Toronto Hydro Board

The board has a total of 11 members including:

- the Mayor or the Mayor's designate appointed by City Council
- 2 members of Council
- 8 public members who are not elected officials or employees of the City of Toronto or any of its agencies or corporations, one of whom shall be the chair

The Board's Chair role is currently under consideration

The current position under consideration is the result of one public member's term ending on April 8, 2024. The public member is the current Chair of the Board and is not eligible for reappointment per the Public Appointments Policy's guideline on term limits.

As the Shareholder of the Toronto Hydro Board, City Council is responsible for nominating the Chair of the Board. Should the recommended nominee for Chair be a current public member of the Board, then that nominee's original public member position will be made vacant and a second public member can be recommended for appointment. Should the recommended nominee for Chair be a new candidate who is not a current public member of the Board, then only the one Chair nominee will be recommended for appointment.

Public members continue until successors are appointed.

Term of office

The term of office for public members of City corporations is two years, and until successors are appointed. In May 2015, Council adopted a two-year term unless otherwise stated for public members of City corporations. The candidate appointed through this process will serve a term of office ending July 27, 2026 and until a successor is appointed.

Board members should meet certain Council-approved qualifications

Board members should collectively represent a range of expertise including:

- experience on a public utility commission or board of a major corporation or other commercial enterprise
- corporate finance
- corporate governance
- market development
- large system operation and management
- urban energy industries
- public policy issues and laws relating to Toronto Hydro and the electricity market
- environmental matters, labour relations, and occupational health and safety issues
- commercial sensitivity and acumen
- independence of judgement and personal integrity
- at least three directors with financial management expertise

Eligibility Requirements

To be eligible for appointment to the board, public members must meet the eligibility requirements in the City's Public Appointments Policy.

In addition, under the *Business Corporations Act*, persons are ineligible for appointment to the board if they are:

- A person who has been found under the Substitute Decisions Act, 1992 or under the Mental Health Act to be incapable of managing property or who has been found to be incapable by a court in Canada or elsewhere.
- A person who is not an individual.
- A person who has the status of bankrupt.

Board members receive remuneration

Members of the Toronto Hydro Board receive:

- The Chair receives an annual retainer of \$75,000
- Board members receive an annual retainer of \$12,500, plus \$1,000 per meeting up to a maximum of \$30,000

We have consulted with Toronto Hydro

In preparation for this process, Public Appointments staff consulted with Toronto Hydro staff and the Board Chair to discuss current board needs, emerging trends, and the appointments process. It was suggested that candidates with public sector or non-profit governance experience, board experience, or experience in both the financial and energy industry would be an asset.

Outreach was conducted for this vacancy

Targeted outreach to attract skilled and diverse candidates included promotions on LinkedIn and Twitter, contacting professional associations and communication via the Public Appointments e-updates list.

Next steps - Interviews

Once the Corporations Nominating Panel has selected candidates to interview, the City Clerk's Office will contact the candidates to schedule them for 30-minute interviews. Six interviews at 30 minutes each plus deliberations will take approximately 4 hours to complete.
