

ATTACHMENT 1 - Recommended Candidate and Biography for the Larry Grossman Forest Hill Memorial Arena Board

Blair Naiberg

I am a member of the community and have been an active member of the Forest Hill Figure Skating Club's board of directors since 2018. My children are active in both figure skating and hockey. As well, I grew up figure skating. I have a valuable perspective of the needs of the community and both sports, as a parent and athlete, to bring to the Larry Grossman Arena board. I look forward to becoming a liaison between the club and the Larry Grossman arena to help both thrive within our community.
