## North York Community Council

**RE: Playfair Ave and Dufferin St – Parking changes for school**

Dear Chair and Members,

In January 2024, the students of Regina Mundi Catholic School relocated into a new campus located at 60 Playfair Avenue, the former site of Dante Alighieri High School. The new school site has considerably less frontage for the parents and school buses to use during pick up and drop off. The lack of adequate parking space is causing a backup of cars and school buses, as there is no restriction on the time cars can park in front of the school. The principal and parents have contacted my office requesting changes to the parking on the north side of Playfair Ave to help facilitate drop of and pick up of the students.

### RECOMMENDATIONS:

It is recommended that:

1. North York Community Council amend the existing 15 minute maximum parking regulation, in effect at all times, on the north side of Playfair Avenue, between Ennerdale Street and a point 60 metres west, to be in effect between a point 24 metres east of Ennerdale Street and a point 60 metres west of Ennerdale Street.
2. North York Community Council amend the existing stopping prohibition, in effect at all times, on the north side of Playfair Avenue, between Dufferin Street and Ennerdale Street, to be in effect between Dufferin Street and a point 24 metres east of Ennerdale Street.

Best regards,

Deputy Mayor Mike Colle
