RE: Motion to Implement “No Stopping” on Limestone Crescent

Summary:

Several constituents have contacted my office with regards to issues relating to on-street parking along Limestone Crescent. Numerous vehicles that belong to the customers of the businesses along the aforementioned street are parked all over the street, to the point where it has become a challenge to traverse. Furthermore, these constituents have told my office that collisions occur frequently due to the aforementioned on-street parking issue. Based upon the advice of the Toronto Police Service’s Parking Enforcement Unit, I hereby recommend the implementation of a “No Stopping” regulation along Limestone Crescent that would replace the current regulation of “No Parking” from 8:00am to 6:00pm between Monday to Friday.

Recommendations:

1. Implement “No Stopping” regulation at all times on Limestone Crescent between Petrolia Road and a point just before the street name changes to Shale Gate.

Thank you for your consideration. Sincerely,

Councillor James Pasternak

Toronto - Ward 6, York Centre – Downsview
