Recommended Candidates and Biographies for the North Toronto Memorial Arena Board

Rahul Sabharwal

Rahul Sabharwal has been a resident of the North Toronto community for over 20 years, with his wife and 3 wonderful kids. Rahul's kids have spent countless hours learning, playing and competing at the arena, proudly wearing the NT logo, while Rahul volunteers his time coaching within the North Toronto Hockey Association. Outside of the rink, Rahul has spent over 25 years in leadership roles primarily in financial services, spanning strategy, finance and operations.

David Valentin

David Valentin is a principal at Liaison Strategies, a national public opinion research firm. With 11 years of experience in Canadian polling, David Valentin, principal, has fielded hundreds of projects at the municipal, provincial and federal levels and appeared across Canadian media to discuss insights. Valentin was born in Peru and grew up in the Bathurst and Eglinton and Yonge and Eglinton area where he currently resides.

Gillian Jagasia

I am currently a retiree who is active in the community to help our neighbourhood and City be a good place to live in.

Janice Mitchell

My family was active with the North Toronto Skating Club and participated in ice shows, test days and in various levels of competition. In that time, I became a member of the skating club board of directors and also held the positions of President and Test Chair. Having a Stakeholder Position on the North Toronto Memorial Arena Board allows me to continue to contribute to both the Skating Club and to the Arena, offering insights from my experience with the club and from within the sport.

Blair Robinson

Blair Robinson is the stakeholder representative for the North Toronto Hockey Association. Mr. Robinson has served on the board of the NTHA since 2010 including in the capacity of General Manager, GTHL Chair, Vice President and President. He continues to remain active within the North Toronto Hockey Association with several responsibilities, including the coordination of ice allocation amongst various divisions.
