Re: Designate of the North Toronto Hockey Association to the  
North Toronto Memorial Arena Board of Directors

Dear Ms. Jagai,

We are writing to inform you that Blair Robinson, a current member of the board of the North Toronto Hockey Association, and current President, has been designated to continue to represent the NTHA as a member of the board of the North Toronto Memorial Arena for the next available term. Mr. Robinson has served on the board of the NTHA since 2010 including in the capacity of General Manager, GTHL Chair, Vice President and President. He continues to remain active within our club with several responsibilities, including the coordination of ice allocation amongst our various divisions.

We thank the North Toronto Memorial Arena for the opportunity to call the arena home to our hockey association and we are committed to working with the Arena Board and its various stakeholders to ensure that it continues to be one of the best managed arenas in the City.

Best regards,
