To North York Community Council:

I am writing in my capacity as Chair of the Board for the North Toronto Memorial Arena. I have been a citizen appointment on the Board for the past 9 years and prior to that I was an ex-officio member for 11 years, due to serving as the City Councillor for the area.

I have been advised by the city clerk's office that my term has come to an end and that the North York Community Council will make a decision on two new citizen appointments at the May meeting. The Board is looking forward to the addition of the new members.

[REDACTED] In consultation with the Arena Manager and members of the Board, I am requesting that North York Community Council delay the appointment of my replacement until October, 2024. This will allow for some continuity while one of the new members is onboarded and assist with the smooth transition of the audit process.

Thank you for your consideration of this request.

Sincerely,

Karen Stintz
Chair, North Toronto Arena
