RE: Reopen and Deferring Item NY7.1 - Wilson Heights Boulevard and Joel Swirsky Boulevard - Traffic Control Signals

Dear Members of the North York Community Council:

I hereby request that North York Community Council reopen and then subsequently defer Item NY9.1 - Wilson Heights Boulevard and Joel Swirsky Boulevard - Traffic Control Signals. Since NY 9.1 Wilson Heights Boulevard and Joel Swirsky Boulevard Traffic Control Signals was debated on November 14th, 2023, there have been significant changes in the Allen East District Plan and the adoption of the Downsview Secondary Plan. In addition, the General Manager of Transportation Services did not report to the February 22nd, 2024 NYCC meeting as directed during the November 14th meeting. Thus, in light of these changes and the lack of a report from Transportation Services, I would like to re-open the above item on both part 1 and 2 for further discussion and debate.

Recommendations:

1. Re-open Item NY9.1, titled "Wilson Heights Boulevard and Joel Swirsky Boulevard - Traffic Control Signals", amended by North York Community Council on November 14, 2023.
2. Consider this Item at the North York Community Council meeting scheduled for September 24, 2024.

Thank you for your consideration. Sincerely,

Councillor James Pasternak

Toronto - Ward 6, York Centre - Downsview
