

Parking Amendments - Farmview Crescent

Date: November 15, 2024

To: North York Community Council

From: Director, Traffic Management, Transportation Services

Wards: Ward 17 - Don Valley North

SUMMARY

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services is recommending that the existing 6:00 a.m. to 10:00 a.m., Monday to Friday, parking prohibition on both sides of Farmview Crescent, between Parfield Drive and George Henry Boulevard, be amended to be in effect on only the west and north side of the street. The proposed amendments will allow residents to park for up to three hours on the east and south sides of Farmview Crescent.

During the course of the investigation, it was noted that there is a discrepancy between posted signs and the existing parking regulations. Recommendations 1 and 2 will correct this inconsistency.

RECOMMENDATIONS

The Director, Traffic Management, Transportation Services recommends that:

1. North York Community Council rescind the existing parking prohibition in effect from 6:00 a.m. to 10:00 a.m., on both sides of Farmview Crescent, between Parfield Drive and George Henry Boulevard.
2. North York Community Council prohibit parking from 6:00 a.m. to 10:00 a.m., Monday, to Friday, on the west and north side of Farmview Crescent, between Parfield Drive and George Henry Boulevard.

FINANCIAL IMPACT

The signage costs associated with the proposed amendments are approximately \$300. Funding is available within the Transportation Services 2024 Operating Budget.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

The Ward Councillor, on behalf of residents, requested that the existing 6:00 a.m. to 10:00 a.m., Monday to Friday, parking prohibition on both sides of Farmview Crescent parking, be removed from the east and south sides of the street. This was requested to provide on-street parking for visitors in the morning.

Existing Conditions

Farmview Crescent is characterized by the following conditions:

- It is a two-lane, curved north/south and then east/west local roadway
- It operates two-way traffic on a pavement width of approximately 8.5 metres
- The speed limit is 50 km/h
- Heavy trucks are prohibited at all times
- There is no TTC service provided
- There are sidewalks on both sides of the street

Parking is currently signed as prohibited from 6:00 a.m. to 10:00 a.m. Monday to Friday, on both sides of Farmview Crescent, between Parfield Drive and George Henry Boulevard.

Proposed Changes

Rescinding the existing 6:00 a.m. to 10:00 a.m. Monday to Friday, parking prohibition on the south and east side of Farmview Crescent will result in the unsigned three hour maximum parking limit being in effect. This will have a negligible impact on traffic operations.

A map of the area and proposed parking amendments is included in Attachment 1.

The Ward Councillor has been advised of the recommendations of this staff report.
