North York Community Council

RE: Montgomery Traffic Calming (Speed Humps)

Dear Chair and Members,

In May 2024, North York Community Council adopted a report; NY14.20- Montgomery Avenue- Traffic Calming (Speed Humps). Due to concerns raised by residents with regards to placement of one of the speed humps, I am asking for North York Community Council to re-open the item with respect to part 2 of the decision.

RECOMMENDATIONS:

It is recommended that:

1. North York Community Council re-open item NY14.20, titled "Montgomery Avenue – Traffic Calming (Speed Humps)" with respect to part 2 of the decision of North York Community Council.
2. North York Community Council substitute Attachment 2, Drawing TC-278 dated May 2024 of its decision on item NY14.20 with Drawing TC-278 dated November 2024 and delete part 2 and adopt the following:

"2. North York Community Council direct the City Solicitor to prepare a by-law to alter the roadway for the installation of three speed humps on Montgomery Avenue, between Edith Drive and Duplex Avenue, generally as shown on Attachment 2, Drawing TC-278 dated November 2024, attached to the report entitled "Traffic Calming (Speed Humps) - Montgomery Avenue" from the Director, Traffic Management, Transportation Services."

Best regards,
