### PROPOSAL - PURPOSE AND EFFECT

The City of Toronto is currently undertaking a Municipal Comprehensive Review (MCR) and Provincial Growth Plan conformity exercise (MCR/Conformity Exercise) of the City of Toronto Official Plan. A copy of the current Official Plan can be viewed or downloaded from the City's website: <https://www.toronto.ca/city-government/planning-development/official-plan-guidelines/official-plan/>.

As part of the City of Toronto's MCR/Conformity Exercise, this proposed Official Plan Amendment is in conformity with the A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2020), is consistent with the Provincial Policy Statement (2020), and has regard to matters of provincial interest under Section 2 of the *Planning Act*. If adopted by Council, the proposed Official Plan Amendment will be submitted to the Minister of Municipal Affairs and Housing for approval pursuant to Section 26 of the *Planning Act*.

The *Planning Act* requires that if an Official Plan is being revised under Section 26 of that *Act*, a Special Public Meeting must be held on any proposed amendments to revise the Official Plan and that an Open House be held if the Official Plan is being revised to ensure that the public has an opportunity to review and ask questions about the information and material made available in advance of the Special Public Meeting. The holding of public hearings on the Official Plan Amendment may be delegated by Council to the Planning and Housing Committee under Section 24 of the *City of Toronto Act, 2006* and the *Toronto Municipal Code*.

## BACKGROUND INFORMATION

The Official Plan is substantially in conformity with relevant and applicable provincial plans and policy requirements related to the economy, economic growth, and employment areas.

The MCR includes a process to review and evaluate requests to convert lands from an *Employment Areas* designation to permit non-employment uses or to broaden permitted uses. As part of this conversion request process, the City received approximately 150 requests to convert lands designated *Core Employment Areas* or *General Employment Areas* to permit non-employment uses. The year-long City Council approved window to receive conversion requests closed on August 3, 2021.

The City is taking a phased approach to reporting the final recommendations for the conversion requests. This approach will see a fourth batch of conversion requests brought forward to the Special Public Meeting at the July 11, 2024 meeting of the Planning and Housing Committee. The first three batches of conversion requests were previously considered at Special Public Meetings, at the July 5, 2022 meeting of the Planning and Housing Committee, the June 1, 2023 meeting of the Planning and Housing Committee, and the July 5, 2023 meeting of the Planning and Housing Committee. Another conversion request was considered at a Special Public Meeting of the Planning and Housing Committee on September 28, 2023.

The conversion requests (CR) to be considered at the July 11, 2024 meeting of the Planning and Housing Committee include the following:

<b>CR Number</b>	<b>Municipal Address</b>	<b>Ward</b>
070	Don Mills Road, 825	Don Valley East (16)
106 (Part)	2155 St. Clair Avenue West	York South-Weston (5)
109	Bowie Avenue, 250 and Caledonia Road, 640, 660, 662, 666, 670, 680 and 682	Eglinton-Lawrence (8)
114	Rockcliffe Court, 20 (formerly known as Rockcliffe Boulevard, 301)	York South-Weston (5)

Staff's final recommendations for the conversion requests listed above may include amendments to the Official Plan. An Official Plan Amendment (OPA) to implement staff's recommendations is being brought forward to the Special Public Meeting at the July 11, 2024 meeting of the Planning and Housing Committee. OPA 742 would amend Map 2 Urban Structure; amend some of the Land Use Plan Maps 13 to 23; and, provide a further layer of local policy direction for an area or site by adding Site and Area Specific Policies (SASPs) to Chapter 7.

The MCR also includes a process to review *Employment Areas* that have SASPs that include residential permissions. In order to conform with the A Place to Grow: Growth Plan for the Greater Golden Horseshoe (2020), Policy 2.2.5.7 and the Official Plan, Policy 4.6.7, the City is required to prohibit residential uses within lands designated as *Core Employment Areas* and *General Employment Areas* in the Official Plan. Staff have made recommendations to redesignate lands to a land use designation that would permit residential uses and add a SASP to

Chapter 7. The majority of lands included in this review, were considered at the Special Public Meeting at the July 5, 2023 meeting of the Planning and Housing Committee. Addresses affected by this process to review *Employment Areas* that have a SASP that includes residential permissions and/or have residential uses, to be considered at the July 11, 2024 meeting of the Planning and Housing Committee include the following:

SASP No.	Municipal Address	Ward
247	Carlaw Avenue, 360, 388 and 400 and Dickens Street, 10	Toronto-Danforth (14)

A map of the addresses for which there has been a conversion request, and for *Employment Areas* that have Site and Area Specific Policies with residential permissions or residential uses, has not been provided in this Notice because it would not be legible at this scale.
