

Attachment 2: Summary of Air Conditioning Information in RentSafeTO Buildings

Table 1: Summary of Air Conditioning Status of RentSafeTO Registered Buildings

Building Ownership Type	Number of Buildings Registered	Number of Buildings that Provide Air Conditioning	Number of Buildings that Do Not Provide Air Conditioning
Privately Owned	3,012	184	2,823
Social Housing	233	67	166
Toronto Community Housing Corporation (TCHC)	337	43	292
Total	3,582	294	3,281

Table 2: Summary of Air Conditioning Installation Permission of RentSafeTO Registered Buildings

Building Ownership Type	Number of Buildings Registered	Number of Buildings that Allow Tenants to Install Air Conditioning	Number of Buildings that Do Not Allow Tenants to Install Air Conditioning*
Privately Owned	3,012	2,864	148
Social Housing	233	182	51
Toronto Community Housing Corporation (TCHC)	337	305	32
Total	3,582	3,351	231

**Note: while 231 buildings do not allow tenants to install an air conditioner, most do not allow it because the building already has existing air conditioning. Program-wide, there are only 4 buildings that do not have air conditioning that also do not allow tenants to install an air conditioner.*
