Good afternoon,

Thank you for circulating Bell Canada on the City of Toronto's draft Official Plan Amendment and Zoning By-law Amendment to remove barriers and enable the creation of Neighbourhoods related housing, to permit townhouses and small-scale apartment buildings (up to 6 storeys) along the major streets in Neighbourhoods areas across the city.

Bell appreciates the opportunity to engage in infrastructure and policy initiatives across Ontario. While we do not have any comments or concerns pertaining to this submission at this time, we would ask that Bell continue to be circulated on any future materials and/or decisions related to this matter.

Please forward all future documents to [circulations@wsp.com](mailto:circulations@wsp.com) and should you have any questions, please contact the undersigned.

Have a great weekend.

Yours truly,

Norm Lingard
