**RE:** PH12.2 Recommended Official Plan Amendment respecting Schedule 3 Complete Application Requirements, Chapter 3 Cultural Heritage Evaluation Report and Municipal Code Amendments respecting Delegated Authority for Minor Zoning By-laws

Dear Chair Perks and Committee Members:

The North York Community Preservation Panel would like to indicate its strong support for the recommended Official Plan Amendment. In particular, we welcome the requirement for the submission of a Cultural Heritage Evaluation Report (CHER). This will assist in the determination as to whether a property, a collection of properties, or a landscape feature has sufficient cultural heritage value to meet the provincial criteria for designation under Part IV of the Ontario Heritage Act.

Thank you for your support of this amendment.

Yours truly,

*Alex Grenzbach*

Interim Chair, North York Community Preservation Panel
