Dear Chair and Members of the Planning and Housing Committee

RE: PH14.1 (EMPLOYMENT AREA LAND USE PERMISSIONS-DECISION REPORT)

I am writing to express my concern and objection as to how the City of Toronto may be addressing matters raised by the Province of Ontario's Bill 97.

I previously submitted to the Committee for its November 30, 2023 Meeting (see my submission as an attachment how negatively my properties, businesses and related employees were being affected by the City's response. This latest City Planning report does not allay any of those concerns and I respectfully request that its recommendations NOT be approved and that City Staff be requested to go back and further explore other solutions....Surely that is warranted when 16% of the City's business establishments employing 13% of the City's jobs are being negatively affected!!

Thank You for your consideration

Murray Goldkind
