

***Expression of Condolence for
Ricky Carreiro by Toronto City Council***

Moved by: Councillor Brad Bradford

Seconded by: Councillor Parthi Kandavel

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Ricky Carreiro on January 25, 2024.

Ricky was a devoted partner to Michele and a father of two boys. He was someone who would brighten any room and make those around him laugh.

One of the ways that Ricky left an impact on his community was through his work at Ted Reeve Arena. He began as a maintenance worker but quickly took over the Zamboni, which he drove for twenty years. Anyone who passed through Ted Reeve Arena would remember Ricky for his perseverance and his desire to make the most out of life.

The City Clerk is requested to convey, on behalf of the Members of Toronto City Council, our sincere sympathy to Ricky Carreiro's family.
