MM19.15	Re-Opening and Rescinding Council's Decision on Item 2024.MM16.28 - Authorization to Release Section 37 Funds to Revitalize Trans Flag-Coloured Pedestrian Crossings in the Village - by Councillor Chris Moise, seconded by Councillor Paul Ainslie	-	-	This motion is to rescind the decision on Item 2024.MM16.28, which released \$40,000 of Section 37 funds to the Church-Wellesley Village Business Improvement Area (BIA) for local streetscape improvements. The BIA no longer requires these funds as Transportation Services has completed the necessary work through its regular workplan. Rescinding this decision will require the BIA to return the funds to the original source.
MM19.16	Permitting a Seasonal Outdoor Patio at 460 Adelaide Street East - by Councillor Chris Moise, seconded by Deputy Mayor Ausma Malik	-	-	This motion is to permit the owner or tenant of an at grade and adjacent retail unit in Toronto Standard Condominium Corporation 2756 to operate a seasonal outdoor patio on a portion of the Privately-Owned Publicly Accessible Space (POPS) located at 424-460 Adelaide Street East on a temporary basis until October 15, 2025. The motion is being pursued because the Section 37 Agreement stipulates that any alterations or temporary uses (such as seasonal patio) of the POPS must be formally approved by the City through a written application process. This temporary permit allows City to collect data on patio's impact and operation, and support local business. There are no financial implications associated with the motion.
MM19.17	Amending Item 2022.TE34.40 to Secure Affordable Housing at 888 Dupont Street - by Councillor Dianne Saxe, seconded by Councillor Alejandra Bravo	-	-	This motion amends previous decision on Item 2022.TE34.40 regarding 888 Dupont Street. This amendment focuses on incorporating newly approved minor variances, specifically related to the provision of 20 affordable housing units within the redevelopment project. It seeks City Council's approval to adjust the draft Section 37 Agreement to align with these variances, ensuring
