Sign Variance

Rationale

Decisions for all Sign Variance Applications are evaluated against criteria listed in Toronto Municipal Code Chapter 694-30 A. A Variance may be granted where it is demonstrated that the proposed sign(s):

- Belong to a sign class permitted in the sign district where the premises is located
- In the case of a third party sign, be of a sign type that is permitted in the sign district, where the premises is located
- Be compatible with the development of the premises and surrounding area
- Support the Official Plan objectives for the subject premises and surrounding area
- Not adversely affect adjacent premises
- Not adversely affect public safety, including traffic and pedestrian safety
- Not be a sign prohibited by Toronto Municipal Code Chapter 694-15B
- Not alter the character of the premises or surrounding area
- Not be, in the opinion of the decision maker, contrary to the public interest

Please describe in detail how the proposal satisfies each of the criteria listed above (use additional pages if necessary)
