Re: SB5.1 - Application for Three Variances, Respecting One Third Party Electronic Ground Sign - 590 Wilson Avenue

Dear Members of the Sign Variance Committee,

I hope this letter finds you well. I am writing to request a deferral for item SB5.1 on the agenda for the meeting on Friday, November 3rd. As the local Councillor for Ward 6 York Centre, I would like the opportunity to speak on the item.

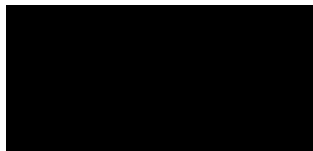

Due to unforeseen circumstances, I will now be out of the city on the mentioned date. It is of utmost importance to me to be present and actively engaged in discussions related to matters within my constituency. In light of this, I kindly request that the item be deferred to the next meeting date, allowing me to be present and actively participate in the discussion.

I understand the importance of maintaining the efficiency of the committee's schedule, and I apologize for any inconvenience this deferral request may cause. However, I believe that deferring the item to the next meeting will ultimately serve the best interests of the community, as it will allow for a more comprehensive and representative discussion of the matter at hand.

I appreciate your consideration of this request. Please inform me of the committee's decision regarding this deferral request as soon as possible, and I will ensure that my schedule is adjusted accordingly to be present at the rescheduled meeting.

Thank you for your attention to this matter. I remain committed to working together with the Sign Variance Committee to make informed decisions that benefit our community.

Sincerely,

Councillor James Pasternak
Ward 6, York Centre
