ATTENTION: BRAD BARTLETT, COMMITTEE SECRETARY
RE: SIGN VARIANCE COMMITTEE MEETING (MAY 10, 2024)
ITEM #'s: SB9.2; SB9.3; & SB9.4

Dear Chair and Committee Members,

Regrettably, we request that the three above-noted items be deferred to the next meeting of the Sign Variance Committee, scheduled for June 7, 2024.

Our goal is to participate in fair and impartial Hearings and we make this request, in part, to continue to have meaningful dialogue with City staff, and to address the various inconsistencies and irregularities that we have identified in each of the three Staff Reports that have been prepared in advance of these scheduled Hearings.

May you kindly confirm receipt of this request.

In addition, further to the “snippets” below, may you kindly share the communications submitted on May 6, 2024 in respect of Items SB9.2 & SB9.3.

Communications

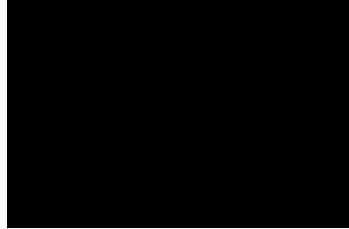

(May 6, 2024) E-mail from Jann Houston (SB.New.SB9.2.1)

Communications

(May 6, 2024) E-mail from Michele Pinet (SB.New.SB9.3.1)

We ask this so that we may familiarize ourselves with the content of the communications and so that we might better prepare ourselves in our presentation(s) to the Committee Members on June 7, 2024.

Regards,

Robert Bader
