 Councillor Paul Ainslie Scarborough-Guildwood

 Ward 24 Scarborough-Guildwood

 @Ainslie_ward24

Date: June 21, 2024

Dear Scarborough Community Council Colleagues,

On behalf of area residents, I am writing to address ongoing traffic safety concerns on Pegasus Trail, which were raised during the community meeting held on February 27, 2024.

Residents have reported excessive speeding still occurring on Pegasus Trail, particularly in sections where no speed humps are installed. This high rate of speed poses a safety hazard to the community.

In response to these reports, I have contacted the Traffic Operations department to investigate the feasibility of installing additional speed humps on Pegasus Trail. Their recommendation regarding this matter is before you for consideration.

Thank you for carefully review on the matter. The recommendations align with the concerns raised by residents, and I urge you to support its implementation to ensure the safety of all residents on Pegasus Trail.

Recommendations:

1. Scarborough Community Council authorize the installation of two additional speed humps on Pegasus Trail, between Portico Drive and Netheravon Road.
2. Scarborough Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install two additional speed humps on Pegasus Trail, between Portico Drive and Netheravon Road, generally as shown on Drawing 421G-4087, dated May 2024, attached to the letter (June 21, 2024) from Councillor Paul Ainslie.

Sincerely,

Paul W. Ainslie
