Dear Chair and Members of Scarborough Community Council,

Re: Accessible Loading Zone – Arden Crescent

BACKGROUND:

A young resident of my ward with special needs is currently facing tremendous difficulty in accessing the school bus that picks her up from her home on Arden Crescent due to illegal parking adjacent to her home. As a result of the family's various failed attempts to resolve this ongoing challenge on their own, I requested that city staff provide a long term sustainable solution that will allow this young student to access the school bus safely and without any extra burden.

RECOMMENDATION:

It is recommended that:

1. Scarborough Community Council designate an accessible loading zone to be in effect at all times, on the east side of Arden Crescent, between a point 29 metres north of St. Clair Avenue East and a point 11 metres further north.
2. Scarborough Community Council rescind the parking prohibition in effect at all times on the east side of Arden Crescent, between St. Clair Avenue East and Rockelm Road.
3. Scarborough Community Council prohibit parking at all times on the east side of Arden Crescent, between St. Clair Avenue East and a point 29 metres north.
4. Scarborough Community Council prohibit parking at all times on the east side of Arden Crescent, between a point 40 metres north of St. Clair Avenue East and Rockelm Road.

Sincerely,

Parthi Kandavel
