Re: Speed Limit Increase on Galloway Road

## Recommendation

Scarborough Community Council authorize an increase to the speed limit on Galloway Road between Kingston Road and the Canadian National Rail tracks from 30km/h to 40km/h.

## Background

On Galloway Road between Lawrence Avenue East and the Canadian National Rail tracks the speed limit has been reduced to 30 km/h. South of these rail tracks the speed limit increases to 40km/h. Increasing the speed limit to 40km/h on this collector road provides a consistent speed limit on Galloway Road between Kingston Road and Guildwood Parkway.

Pedestrian safety on this segment of Galloway Road is addressed with the Pedestrian Crosswalk at Galloway Road and Coronation Drive, which is further enhanced with the presence of a School Crossing Guard. There is also an All-Way Stop control at Galloway Road and Waldock Street.

Sincerely,

Paul W. Ainslie
