WARD 22, SCARBOROUGH-AGINCOURT

October 15, 2025

To: Scarborough Community Council Chair & Members

I received numerous concerns regarding the installation of a PXO on Huntingwood Drive at Ridgecrest Avenue to support the work that the City has done with the newly installed bike lanes and traffic mitigation measures on Huntingwood Drive. I have spoken with Councillor Myers who is in agreement with the speed reduction on Huntingwood Drive for its entirety. I would appreciate your support for the my motion.

Recommendations:

- Scarborough Community Council request the Director, Traffic Management, Transportation Services, to investigate the feasibility of installing a pedestrian crossover (PXO) on Huntingwood Drive at Ridgecrest Avenue and report back to Scarborough Community Council in the first quarter of 2025.
- Scarborough Community Council reduce the speed limit from 50 km/h to 40 km/h on Huntingwood Drive between Victoria Park Avenue and McCowan Road.

Sincerely,

**Nick Mantas**
