To the City Clerk:

Please add my comments to the agenda for the November 1, 2024 Scarborough Community Council meeting on item 2024.SC17.17, Brimorton Drive at Gatineau Hydro Corridor Trail - Pedestrian Crossover

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: I simply wish to send my support for this pedestrian crossover. My 7 year old granddaughter goes to Churchill Heights and strongly believe a crossover would benefit pedestrian/bicycles a safer way across the street since there is no other means of crossing from Markham Road to this point.

I also feel this MIGHT slow traffic down as they still zoom along this stretch of road.

Regards
