Re: SC18.15 Megan Avenue - Traffic Calming (Speed Humps)

Dear Scarborough Community Council,

Based on the study results from City of Toronto Transportation Services staff, which recommended the installation of eight speed humps on Megan Avenue, my office conducted a poll of residents living on Megan Avenue to gauge their support for the installation. The results of the poll are:

Percentage voting 'YES': 90%

Percentage voting 'NO': 10%

Based on the results of the poll conducted from November 8th to November 29th, 2024, I support staff's recommendation to install eight speed humps on Megan Avenue, between Lawrence Avenue East and Beechgrove Drive.

Sincerely,

Jennifer McKelvie
Deputy Mayor, City of Toronto
City Councillor, Scarborough-Rouge Park
