RE: ST7.1 - Council Mid-term Member Appointments to Committees, Boards and External Bodies

Dear Chair and Members of the Striking Committee,

I'm writing to express my interest in being appointed as Chair of the Long-Term Care Committee of Management.

As Chair of Economic & Community Development Committee, the standing committee responsible for matters related to seniors services and long-term care, I believe it would be helpful for me to serve in this role on the Long-Term Care Committee of Management. This appointment would provide continuity in the leadership and oversight of the City of Toronto's municipal long-term care homes to ensure that we are delivering on our promise of service excellence.

I look forward to working with my fellow members of the Long-Term Care Committee of Management. I'm available to any members of the Striking Committee if you would like to discuss this request further.

Sincerely,

Alejandra Bravo
