Re: ST7.1 - Council Mid-term Member Appointments to Committees, Boards and External Bodies

Dear Striking Committee,

I am very pleased to put my name forward for reappointment to serve on the General Government Committee.

As Chair of the General Government and Licensing Committee, and Government Management Committee for 12 years, I have shown leadership in moving the City forward in a number of important initiatives, with enhancements to city technology, data security, public spaces and parking infraction.

My contributions, I feel, have advanced the City of Toronto's standings as a leader, ensuring the city is transparent, efficient, and a great resource to all. Our open government policies have provided residents with the tools needed to participate and interact with the city.

I feel that my experience, accomplishments, and proven track record as a member of the committee will allow me to make significant contributions in advancing a work plan for the GGC.

I look forward to making a positive impact at the General Government Committee. I will fulfill the work of the committee with purpose and will hold my responsibility in attending and participating in meetings.

I look forward to your support.

Sincerely,

Paul W. Ainslie
