

Responsible AI Framework

Date: July 4, 2024
To: Board of Directors of the Toronto Atmospheric Fund
From: Chief Executive Officer

SUMMARY

Yara Elias, EY Canada's Senior Manager, AI Risk, Risk Consulting, will provide a presentation on Artificial Intelligence (AI) risk and governance considerations. She leads EY Canada's AI adoption and responsible use practice and will profile some key considerations regarding the duties of Board members and respond to questions.

RECOMMENDATIONS

The Chief Executive Officer recommends that the Board of Directors of the Toronto Atmospheric Fund receive the item for information.

FINANCIAL IMPACT

There is no financial impact resulting from the adoption of the recommendations in this report.

COMMENTS

This initial, level-setting presentation is intended to identify potential areas of risk and governance responsibility, and how the Board might address them.
