RE: Parking Amendments – Peter Street

Dear Toronto and East York Community Council members:

I am writing to you today to request your support in amending the on-street parking regulations on the west side of Peter Street, between Richmond Street West and Adelaide Street West in connection to the new development at 108 Peter Street. Under current conditions, the existing motorcycle parking area on this section of Peter Street encroaches into the new driveway that services this building. Transportation Services is recommending that the existing motorcycle parking remain but must be shortened to deter parking in this area and blocking the driveway. The proposed amendment will resolve this discrepancy.

RECOMMENDATION:

1. Toronto and East York Community Council rescind the existing parking machine designated as a motorcycle parking zone on the west side of Peter Street, between a point 37.5 metres south of Richmond Street West and a point 11 metres further south, in effect from 8:00 a.m. to 6:00 p.m., and 6:00 p.m. to 12:00 a.m., Monday to Saturday, and 1:00 p.m. to 12:00 a.m., Sunday, from April 1 to October 31 inclusive, at a rate of \$0.00 per hour and for an unlimited period.
