Parking Amendments – Sunlight Park Road between Broadview Avenue and the west end of Sunlight Park Road

Dear Councillor Moise and Toronto and East York Community Council,

Sunlight Park Road is a local road, west of Broadview Avenue and south of Eastern Avenue Diversion. The only business utilizing this stretch of street has requested double-sided parking to accommodate their customers, as the street experiences minimal traffic. The west end of Sunlight Park Road is a dead end and the remainder is wide enough to accommodate double-sided parking and two-way traffic. Amendments to rescind the parking prohibitions on the north side of the street to allow double-sided parking.

Recommendations:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times, on the north side of Sunlight Park Road between Broadview Avenue and the west end of Sunlight Park Road.
2. Toronto and East York Community Council amend the existing parking prohibition in effect at all times, on the south side of Sunlight Park Road between a point 122 metres west of Broadview Avenue and the west end of Sunlight Park Road, to be in effect on both sides of Sunlight Park Road.

Sincerely,

Paula Fletcher
