COMMENTS

A request was received from the public and shared with the Ward Councillor, to reduce the hours of operation of the on-street permit parking program on Alcorn Avenue from a point 71 metres west of Yonge Street to the road closure at Oaklands Avenue. The request relates specifically to changes that were introduced in January 2023 to authorize permit parking between 5:30 p.m. and 7:30 p.m. These changes have subsequently resulted in challenges for guest and caregiver parking, which have been determined to outweigh any benefits provided by the extended hours.
