Speed Humps on Greenwood Avenue between Plains Road and Cosburn Avenue

Dear Councillor Moise and Toronto and East York Community Council,

Residents of Greenwood Avenue between Plains Road and Cosburn Avenue have voted 86% in favour of speed hump installation. These traffic calming measures would enhance safe traffic flow for residents as drivers utilize this street to access busier streets such as O'Connor Drive (north of Plains Road) and Cosburn Avenue (south of Plains Road).

Recommendations:

1. Toronto and East York Community Council authorize the installation of traffic calming (speed humps) on Greenwood Avenue between Plains Road and Cosburn Avenue.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install three speed humps on Greenwood Avenue between Plains Road and Cosburn Avenue, generally as shown on the attached Drawing No. TC-226, dated January 2024 from the Director, Traffic Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
