Councillor Chris Moise
Chair, Toronto and East York Community Council
100 Queen St. W

Establishing a Community Safety Zone on Blake Street

Dear Chair and Members of Toronto and East York Community Council,

Blake Street, between Strathcona Avenue and Boulton Avenue, is a residential street with two schools, a community centre and near each other. The residents who live on Blake Street are concerned about the volume of traffic and speeding along their residential street. Many children and parents utilize it often to either travel north to Earl Grey Senior Public or south to Blake Street Junior Public School.

Additionally, I hope you support my recommendation to move the Automated Speed Enforcement (ASE) from Strathcona west of Blake Street, to a location on Blake Street once it is designated as a Community Safety Zone.

The implementation of a community safety zone and installation of an ASE will help improve traffic and pedestrian safety on Blake Street. I hope you will support my recommendation.

Recommendations:

1. City Council designate a Community Safety Zone in effect at all times, on both sides of Blake Street, between Strathcona Avenue and Boulton Avenue.
2. City Council request the General Manager, Transportation Services to consider moving the Automated Speed Camera from Strathcona west of Blake Street to a location on Blake Street, or for Blake Street to be added to the next round of ASE locations.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
